

Our Granite Collection

MAJESTIC LAPATRO

A durable, semi-gloss stone with subtle slip resistance, perfect for kitchen countertops, bathroom vanities, and dry-area flooring. It's low maintenance, heat, stain, and scratch-resistant, adding a sleek, contemporary touch.

BLACK PEARL

A luxurious black stone with white pearl-like patches, perfect for countertops, vanities, and flooring. Durable and elegant, it adds timeless beauty to any space.

RIVER BLACK

A sleek dark stone with flowing gray and white veins, perfect for countertops, flooring, and wall cladding. Durable, low-maintenance, and elegantly versatile for any space.

VISCON WHITE

Elegant white granite with grey, black, and beige veining, perfect for countertops, vanities, and flooring. Durable, low-maintenance, and ideal for modern or traditional interiors.

SPIDER WEB

A dramatic stone with bold, web-like veining, perfect for countertops, flooring, and feature walls. Elegant, durable, and ideal for modern or classic interiors.

ROSY PINK

Soft pink hues with white, cream, and gray tones, perfect for countertops, vanities, and flooring. Durable, low-maintenance, and adds a sophisticated touch to any interior.

ICE BLUE

A light blue-gray stone with silver, black, and white flecks, perfect for kitchens, countertops, and flooring. Durable, low-maintenance, and offers a sophisticated, refreshing look.

RIVER BROWN

A warm blend of brown, gold, cream, and gray tones with flowing veins, perfect for countertops, vanities, flooring, and wall cladding. Durable, low-maintenance, and adds sophistication to any space.

TIGER SKIN

Bold swirls of golden browns, blacks, and grays, perfect for countertops, flooring, and wall cladding. Durable, easy to maintain, and adds an exotic touch to any space.

TEAK WOOD

A warm brown stone with wood-like veins, perfect for countertops, flooring, and backsplashes. Durable, low-maintenance, and ideal for rustic or refined interiors.

SADARAHALLI

Durable, greyish-white granite with wavy black patterns, quarried in Karnataka, India. Ideal for flooring, countertops, and exterior applications due to its strength and aesthetic appeal.

KOTA STONES

Durable, fine-grained limestone in blue and brown shades, quarried in Kota, Rajasthan, India. Known for its toughness and non-slippery nature, it is ideal for flooring, pathways, and outdoor spaces.

GREY STONES

Stones mined from our own quarries in Karkala, ensuring exceptional strength and durability. Perfect for structural foundations and boundary fencing.

Our Tile Varieties

VITRIFIED

Durable, low-porosity tiles with a glossy or matte finish, made from a mix of clay and silica. Resistant to stains and water, they are ideal for flooring in homes, offices, and commercial spaces.

GLOSSY CERAMIC

Durable, high-shine ceramic tiles with a smooth, reflective surface. Ideal for walls and low-traffic floors, offering a sleek and elegant look.

MATTE

A sleek, non-glossy surface with excellent slip resistance, perfect for both indoor and outdoor spaces. Durable and low-maintenance with a modern, elegant look while enhancing safety and comfort.

CARVING

Intricate designs etched into the surface, adding depth and elegance to any space. Perfect for walls, facades, and decorative accents, they combine durability with artistic appeal.

SUGAR COATED

Textured, crystal-like surface that adds a subtle sparkle and refined elegance. Durable and slip-resistant, they are perfect for creating stylish and sophisticated interiors.

PARKING / OUTDOOR

Featuring a strong, anti-slip texture for superior grip and durability. Designed to withstand frequent use and harsh weather. They are perfect for parking, walkways, and open spaces.

WALL CLADDING

Durable, decorative covering for walls, available in natural stone, wood, or ceramic materials. Enhances aesthetics while providing protection against weather and wear.

Choose from our **Premium Collection** to enhance any space. We offer tiles in 2x2 ft, 4x2 ft, 12mm thickness and many more, perfect for various applications.
